Something to Think About

How You Can Support Your Child

- ▣ Find out why YOUR child wants to play soccer! Ask the real questions?
- ▣ Once you have asked the questions, LISTEN to the answer and learn....
 - Shape your support to meet your child's expressed desires; make his/her dreams come true.
 - Ask yourself "What can I do to assist my child in being successful in meeting his/her goals for participation in soccer?"

Being a Good Soccer Parent

- ▣ Always encourage your child
- ▣ Leave coaching to coaches.
- ▣ Ensure a balance in your student athlete's life
- ▣ Be realistic about your child's future in sports
- ▣ Emphasize enjoyment, development of skills and team play
- ▣ Be there when your child looks to the sidelines for a positive role model.
